

ACTIVE INGREDIENTS per scoop (1oz.)

Garlic	2,500 mg
Thiamin	1,500 mg
Niacin	1,000 mg
Turmeric	200 mg
Grape Seed Extract	100 mg

INACTIVE INGREDIENTS

Brewer's Dried Yeast, Diatomaceous Earth, Soybean Oil, Yeast Culture

FEEDING INSTRUCTIONS

Recommended to discourage the presence of insect pests and to support healthy skin and normal inflammatory response.

DIRECTIONS FOR USE

Using the enclosed scoop, administer one scoop per 1,000 pounds of body weight daily for 14 to 21 days. Thereafter, administer $\frac{1}{2}$ scoop per 1,000 pounds of body weight daily throughout the insect season.

CAUTIONS

Follow Directions For Use Carefully. This product could have an anticoagulant effect in high doses. Do not administer to horses prior to surgery or to horses on anticoagulant medications. Excessive, sustained use of this product may cause Heinz body anemia. It should not be administered in cases of pre-existing anemia. Administer while or immediately after the animal has eaten to reduce the incidence of gastrointestinal upset. Do not administer to horses with a history of gastric ulcers. If the animal's condition worsens or does not improve, stop product administration and consult your veterinarian. Safe use in pregnant animals or animals intended for breeding has not been proven.
