

### Product Facts

For use in horses only.  
Supports balanced immune cellular function. Supports healthy skin and eyes.  
Helps prevent Shipping Fever and immune mediated conditions.  
Indicated as an aid in:

- Skin irritation
- Lung function
- Abscesses
- Keratitis (Moon blindness)
- EPM

### Directions for use:

For a 1000lb horse, give 2 level scoops (1oz scoop enclosed) daily, or per Veterinarian's direction.  
Begin giving Immunex at least 7 days before shipping and other stressful conditions. Give 2 scoops daily thereafter to maintain a healthy immune system. Can be given during or after mealtime.

### Cautions:

- \*Consult veterinarian before use.
- \*Administer during or after the animal has eaten to reduce the incidence of gastrointestinal upset.
- \*Safe use in pregnant animals or animals intended for breeding has not been proven.
- \*If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.
