\* Fitted shirts are 2" narrower in the chest and waist.

### MEASUREMENT GUIDE

**NECK** Measure around the middle of your neck inserting a finger or two between the tape and your neck to allow for comfort.

**CHEST** Measure around the chest, under the armpits and over the highest part of your chest and shoulder blades keeping the tape parallel to the floor.

**WAIST** Find your natural waistline and measure.

**SLEEVE** Bend your arm 90 degrees and put your hand on your hip. Hold the tape measure at the center back of your neck and measure across your shoulder to your elbow, and then down to your wrist.
