JOINT COMBO™ CLASSIC

With Glucosamine HCl and Chondroitin Sulfate

Horse Health Joint Combo contains glucosamine HCl and chondroitin sulfate, along with the cofactors manganese and ascorbic acid, in a palatable, cinnamon apple-flavored pellet. Glucosamine and chondroitin are found naturally in the bodies of animals and are necessary for normal joint function. Glucosamine is a natural precursor of glycosaminoglycans (GAGs) and hyaluronic acid. Chondroitin is the primary GAG found in cartilage. Manganese is an important cofactor for the formation of GAGs, and ascorbic acid is required for collagen formation. Together, they act synergistically to support healthy joint function.

PRODUCT FACTS

ACTIVE INGREDIENTS Per ounce

Glucosamine HCl (shellfish)	1800 mg
Chondroitin Sulfate (shark)600 mg
Ascorbic Acid104 mg
Manganese (manganese/methionine complex)16 mg

INACTIVE INGREDIENTS

Alfalfa meal, dehydrated; artificial flavor, bentonite, BHT and BHA (preservatives), cane molasses, propionic acid (preservative), and wheat middlings.

CAUTIONS:

Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones; known allergies to shellfish.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

FOR USE IN HORSES ONLY.
RECOMMENDED TO SUPPORT HEALTHY JOINT FUNCTION.

DIRECTIONS FOR USE:

Enclosed scoop holds 1 ounce.

Give 3 scoops morning and night for initial loading dose (3-4 weeks).

For maintenance, give 1-2 scoops daily (based on an 1100 lb adult horse).

WARNINGS:

For animal use only.

Keep out of the reach of other animals and children. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
