Majesty's OMEGA Wafers™

A SUPERIOR SKIN, COAT & IMMUNE SUPPORT SUPPLEMENT FOR YOUR HORSE

We use the finest ingredients in this no-bake wafer that will please all horses. We added Flax to give you the perfect source of Omegas 3, 6, & 9. The Omegas have been shown to support healthy hair, coat and hoof condition. They also have been shown to help support a healthy immune system in animals. We also added Biotin, which helps horses utilize and metabolize proteins, carbohydrates and fats, namely the Omegas.

Ingredients: Rolled Oats, Flax Flour, Cane Molasses, Apple Sauce, Water, Flax Seed, Cracked Wheat, Rye Barley, Whole Wheat Bran, Corn Meal, Hulled Millet, Apple Bits and Potassium Sorbate (preservative).

FEEDING DIRECTIONS

Use one or two wafers per day or as recommended by your veterinarian. This is a nutritional supplement and is not to be mistaken for a treat. Store in a cool, dry place. Keep tightly sealed.

MAJESTY'S 100% GUARANTEE

If this product does not meet your expectations, please return it to place of purchase or directly to Majesty's Animal Nutrition with your receipt and they/we will refund your money.

Made in CENTRAL OREGON

Nestled east of Cascade Mountains, beautiful Central Oregon is home to a large population of horses. Pastured for six or seven months of the year supplementing your horse can be a difficult and inefficient chore. The same applies other times of the year when you have multiple horses and feed them together but only want to supplement one or two of them.

Family Owned Majesty's Animal Nutrition has developed a superior way to efficiently supplement your horse year round. You now have no need to separate and stall horses, mix feed with supplement and make sure it is consumed. With Majesty's, you only need to use a tasty, no-bake wafer, saving you time and money! And because we actually manufacture the products, we are able to provide optimum control over quality, freshness and cost.

Today we produce a variety of horse supplements as well as products for your other four-legged friends...dogs.
