Ingredients:  
Beeswax, Candelilla Wax, Shea Butter, Jojoba Oil, Coconut Oil, Arrowroot Powder, Vitamin E Oil, Lavender or Peppermint Essential Oil

Keep in a cool, dry place

## ABOUT THE INGREDIENTS:

*Beeswax and Candelilla Wax* provide grip and resists melting in warmer temperatures.

*Shea Butter* provides soft grip and can soften and smooth dry, itchy skin.

*Jojoba Oil* as a fast absorbing oils that moisturize dry hair and skin without feeling greasy. No more dry and flakey manes!

*Vitamin E* is an antioxidant and a natural anti-inflammatory that can soothe and calm skin.

*Coco Caprylate* is a non-greasy, moisturizing, and shine enhancing fatty acid derived from Coconuts that is derived from 100% natural and renewable feedstocks.

*Kaolin Clay* provides texture and grip when braiding

*Sunflower Solublizer* is a 100% natural, and biodegradable plant-derived, solubilizing emulsifier.

*Lavender Essential Oil* provides a pleasant, floral scent that is often used in aromatherapy.

*Peppermint Essential Oil* provides a invigorating fresh scent and can help with mental focus.
