

# COOLING ACTIVATION HOW IT WORKS

## COOLING BLANKET • NECK WRAP HOCK WRAPS • POLO WRAPS

**1** WET IT

**2** WRING IT

**3** SNAP IT

Great for cooling down your equine athlete after exercise, competitions, hauling or on hot summer days

**4** WEAR IT

Cooling Hock Wraps & Polo Wraps can also be iced. See below for icing instructions.

## ICING & COOLING HOCK WRAPS & POLO WRAPS

**1** WET

**2** FREEZE

**3** WRAP

**4** WEAR IT

Comfortable fit allows for compression, reduces inflammation and helps alleviate pain.

Using icing and cooling therapies can promote healing in both new injuries and chronic conditions
