## DEEP CONDITIONER + REHYDRANT FOR MANES AND TAILS

**CITRACREME<sup>™</sup>** is a deep rinse out conditioner designed to improve and rehydrate the equine mane and tail. Empower dry brittle manes and tails with this blend of effective moisturizers that instantly soften the hair, while increasing suppleness. Loaded with anti-static proteins, CitraCreme<sup>™</sup> is the ultimate detangler, promoting hair manageability and a polished finish. Infused with the natural oils of oranges, lemons and sesame seeds, this creamy formula will inspire the senses and perfect the EquiFUSE<sup>®</sup> bathing experience.

**Directions:** After cleansing the mane and tail with CitraFoam<sup>™</sup> Sulfate Free + Foaming Shampoo, dispense a liberal amount of CitraCreme<sup>™</sup> onto the hands and apply directly to the hair, starting on the ends and working up. Leave in for 2-3 minutes, then rinse.

**Caution:** For external use only. Avoid contact with eyes.
