

DOG COLLAR SIZE GUIDE

Collar Size		Max Number of Characters Allowed on Collar
Wide	Length	
5/8"	9"-13"	13 Characters
3/4"	13"-19"	21 Characters
1"	17"-25"	28 Characters

Size Chart: Weaver Collars are measured from center of the buckle to second hole from the end to give you more flexibility in sizing and more room for adjustment. Simply measure the pet's neck at the base for proper collar size. There should always be enough room between the pet's neck and the collar to slip one finger between them comfortably.
