

JointSaver®

Figuerola®

JointSaver is a unique nutritional dietary supplement that contains 100% pure pharmaceutical grade Regenerex-MP™, a powerful licensed formulation with active Glycosaminoglycans (GAGS) and Amino Acid based components to increase joint mobility and flexibility by restoring its “shock-absorbing” and “cushioning” properties, fight degenerative enzymes that contribute to cartilage breakdown, promote new cartilage cell synthesis by reducing oxidative damage to the joints, and alleviate pain while decreasing inflammation by normalizing joint tissue,

Ingredients and Analysis: Amount per 2 scoops

Regenerex-MP™ **30,000 mg**

A Proprietary Formula
