

KIDSWEAR

HOW TO MEASURE

1. Height

Measure top of head to toe with no shoes and feet placed together and flat on the floor

2. Chest

Measure the circumference under the arms at fullest part of the chest

3. Waist

Measure the circumference of the natural waist/narrowest part

4. Inside Leg

This is our actual garment measurement for breeches measured from crotch position to leg opening. Please note our breeches are stretch fabric and the garment will measure shorter unworn.

Chest, waist and height are “to fit” body measurements. use the size guide to determine what age group your child falls into. Inside leg are the actual garment measurements for our breeches.

Please note our breeches are stretch fabric, so take into account when measuring your child.

Kids Size Conversion	Height (cm)	Chest (cm)	Waist (cm)	Inside Leg (cm)
3 - 4 Years	35" - 41"	21" - 22"	20.5" - 21"	15.24"
5 - 6 Years	43" - 46"	23" - 24"	21.5" - 22"	16.5"
7 - 8 Years	48" - 51"	25" - 26"	22.5" - 23"	18"
9 - 10 Years	53" - 56"	27" - 28"	23.5" - 24"	21.5"
11 - 12 Years	58" - 60"	29" - 31"	24.5" - 25"	24.5"
13 - 14 Years	62" - 65"	32" - 34"	25.5" - 26.5"	26.25"
