# GastroPrep EQ™

## Fast Acting Pre-Event Gastric Support

PERFECTPRODUCTS

**Suggested Use:** For pre-event or shipping, administer 30cc to 60cc one hour prior to event or transport. Effects begin immediately and last up to 8 hours. For horses in distress, administer 60cc. Repeat in 90 minutes if conditions persist. All horses exhibiting signs of gastric distress should receive prompt veterinary attention. Flows best at room temperature.

**Uso sugerido:** Antes del evento o envío, administre 30cc a 60cc una hora antes del evento o transporte. Los efectos comienzan de inmediato y duran hasta 8 horas. Para caballos en peligro, administrar 60cc. Repita en 90 minutos si las condiciones persisten. Todos los caballos que presenten signos de dificultad gástrica deben recibir atención veterinaria inmediata. Fluye mejor a temperatura ambiente.

**Ingredients:** Soybean Oil, Hydrolyzed Collagen, Fructooligosaccharide (FOS), Hydrolyzed yeast (MOS), Soy Lecithin, Glycine, L-Glutamine, Silica Gel, Bromelain (2400 GDU), Deglycyrrhized Licorice, L-Threonine, Magnesium Citrate, Vitamin E Supplement, Quercetin, Gamma Oryzanol, Lactobacillus acidophilus Fermentation Product, Bifidobacterium longum, Natural & Artificial Flavors, Enterococcus faecium Fermentation Product, Citric Acid, Organic Broccoli Sprout Powder, Ascorbyl Palmitate, Enterococcus lactis Fermentation Extract, Coconut Oil, Methylparaben, Saccharomyces Boulardii, Oat Beta Glucan, Sodium Copper Chlorophyllin.

**Disclaimer:** This product is not warranted for any specific use.
