

Perfect Prep EQ™ CALMING SYSTEM

Getting your horse ready to show is as easy as 1, 2, 3!

Show Safe

Feed for training at home daily

FEED DAILY TO ESTABLISH BEHAVIOR BASELINE

TIP: Switch from Training Day to Pre-Event Step 1 three days prior to performance.

PERFECT PREP EQ™ TRAINING DAY

Stabilizes blood sugar levels, relaxes muscles, slows the heart rate, and diminishes reactivity.

AND/OR

TIP: Continue feeding throughout performance days.

PERFECT HARMONY EQ

Improves hormone-related behavior in mares, geldings and stallions.

Prepare for transport & show environment
