**Concentrated**

EASY TO GIVE 30CC FORMULA

**Quick Acting**

EFFECTS BEGIN WITHIN 90 MINS

**Long Lasting**

ONE TUBE LASTS 6-8 HOURS

**Suggested Use:** For maximum effect give 1 tube (30cc) at least 90 minutes prior to performance according to horse's needs. Difficult horses may require a second tube. Adjust for desired results. Effects begin within 90 minutes and last 6 to 8 hours. Additional tubes may be given to increase or extend effects as desired. Up to 2 tubes within an 8 hour period generally achieves desired results. Combines well with any Perfect Prep EQ™ formula.

**Active Ingredients:** Taurine, Theanine, Thiamine, N-Acetyl L-Cysteine, L-Leucine, Magnesium, METAtonin™ (a proprietary blend of Melatonin, Sodium Copper Chlorophyllin and Saffron), Pyridoxine, Riboflavin, Metaphan™ (a proprietary blend of Griffonia Simplicifolia Seed Extract and Deglycyrrhized Licorice Root Extract) (9,849 mg). **Inactive Ingredients:** Lecithin, Methylparaben, Mixed Tocopherols, Natural & Artificial Flavors, Silica, Sodium Propionate, Soybean Oil.

**Warnings:** Consult your veterinarian prior to exceeding recommended dosage. For animal use only. Keep out of reach of children. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption. Not for human use. **Disclaimer:** This product is not warranted for any specific use including permissibility. Perfect Products or its selles shall not be liable for consequential, special or indirect damages resulting from use of this product.

**Cautions:** Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.
