## WAIST

Measure the waist where the pants normally sit (Subtract 1" if measuring over clothes).

## HIPS

Stand with heels together and measure around the fullest point of the hips, keeping the tape parallel to the floor.

## TIPS:

If you don't have a measuring tape, use a piece of string and hold it alongside a ruler.

For the best fit, we recommend you measure without clothing. If in between sizes, size up for growing boys.
