For all **CLASSES** of horses.

Vita Flex® E & Selenium is a balanced supplement of vitamin E and selenium for optimum equine health. Many soils in the U.S. and Canada are chronically selenium deficient. Feedstuffs grown in these soils may provide inadequate amounts of selenium in the daily diet. Vita Flex E & Selenium is a premium quality supplement, which can contribute to the correction of nutrient deficiencies.

Feeding Instructions:

Enclosed scoop holds 1 ounce.

Feed 1 ounce daily, or as directed by your veterinarian. Keep cool and dry. Reseal after each use.

Guaranteed Analysis per pound, minimum:

Selenium	.0035%	35 ppm
Vitamin E		16,000 IU

Guaranteed Analysis per ounce, minimum:

Selenium	.0035%	1 mg
Vitamin E		1,000 IU

Ingredients: yeast culture, vitamin E (dl-alpha tocopheryl acetate), vegetable oil, calcium silicate, sodium selenite, sorbic acid.

CAUTION: Follow label directions. The addition to feed of higher levels of this premix containing Selenium is not permitted.
