

• UP TO A 32-DAY SUPPLY •

Rice Bran Oil is recommended for horses of all ages and classes as a balanced source of energy, calories, vitamins and fatty acids. Rice Bran Oil has been used to fit horses for performance, show event and sales.

DIRECTIONS FOR USE: Horses 1000lbs, feed 4 ounces daily mixed with normal feed ration. As a general rule of good feeding practice, Rice Bran Oil should be introduced gradually. Amount and frequency may be varied as necessary or, as directed by a veterinarian.

SHAKE WELL BEFORE USE.

FOR ANIMAL USE ONLY.

KEEP OUT OF THE REACH OF CHILDREN.

AniMed Rice Bran Oil is a pure and natural product; some of the nutritional components in Rice Bran Oil have a tendency to settle to the bottom of the jug. This is normal and expected.

AniMed's Rice Bran Oil is pure with no additives, to insure freshness we recommend the entire container should be consumed within two months of breaking the seal. Refrigerating opened container may extend shelf-life.
