

Uses: Orvus is gentle and effective for **Cleaning Animals** including horses, livestock and pets, such as dogs, cats and puppies, **Finished Articles**, including fine linens, lace, silk, wool, cotton, nylon, polyester and fleece. Orvus is safe for regular laundry machines (front and top loader) and HE machines (High Efficiency). Add extra gentle sudsing cleaning power to your regular laundry by adding just 2 tablespoons of Orvus WA Paste. Share your Orvus stories at Facebook.com/Orvus.

Directions: Orvus is a soft solid when cool. When Orvus becomes warm, it melts into an amber liquid. Orvus gives equally satisfactory results in either condition. For **Cleaning Animals**, put 1 ounce (2 tablespoons) of Orvus into a bucket of warm water. Mix as needed. Prepare hair, mane and tail with water. Massage water and Orvus into hair. For mane and tail, apply Orvus directly by hand, massaging into hair. Rinse thoroughly. Repeat as needed. Avoid face and eyes. For **Finished Articles** and **Fabrics**, always follow garment care label instructions. For **Standard, Front Load and HE Washing Machines:** For best results, run an empty load to remove any leftover residue from previous

detergents. Add 1 ounce Orvus for each wash. Place delicates in machine. Run on gentle cycle. Repeat as needed. **For Bathtub / Hand Wash:** Fill tub with lukewarm water, add 1 ounce Orvus into tub and stir water to dissolve. Place delicates in tub. Gently press up and down. Then, allow to soak for 30 minutes in tub. Gently hand press up and down. Then, allow to soak for 30 minutes. Rinse several times with water. Do not scrub. Repeat as needed.

Ingredients: Sodium lauryl sulfate, lauryl alcohol, sodium sulfate, biodegradable surfactants and water.

CAUTION: Keep out of reach of children. In case of eye contact, flush thoroughly with water. If swallowed, drink a glass of water to dilute and call a physician or poison control center.
