

# Rocky Mountain Feline Formula with Roasted Venison & Smoked Salmon

Grain-free formula with peas and sweet potatoes provides highly digestible energy for your active cat. Made with real roasted venison and smoked salmon, this formula offers a taste sensation like no other. For today's healthy cat, this Formula is supplemented with vegetables and fruits, providing antioxidants to support a healthy immune system and overall good health.

## Product Features

**GUARANTEED PROBIOTICS** – Healthy digestive and immune systems are vital to the overall health of your pet. Viabes Probiotics are developed specifically for use in our pet food and processed under strict quality and safety standards to ensure purity. Each pound of Taste of the Wild provides 80,000,000 colony forming units (CFU) of live, active cultures that help support healthy digestion and help your cat maintain an active lifestyle.
