Read back panel for complete safety information.

A QUICK AND EASY WAY TO COVER BLEMISHES, STAINS OR SCARS AND ENHANCE HAIR COLOR, ESPECIALLY SUN-FADED COATS! DEVELOPED EXCLUSIVELY FOR HORSES, SHOW TOUCH-UP DOES NOT WIPE OFF, RUN OR CLUMP. PROMOTES FULLER APPEARANCE WHEN USED ON TAILS. SHOW TOUCH UP LEAVES COAT SOFT AND NATURAL.

DIRECTIONS: SHAKE WELL.

Holding can 8" to 12" away, lightly spray Touch Up on area where color is desired. Touch Up produces a wide range of color, depending on the number of coats applied. If more cover is desired, allow Touch Up to dry, brush lightly and add another coat. Continue until desired shade is achieved. Do not spray directly on face. Spray color on cloth, then apply to face, avoiding eyes and mouth. Touch Up may be left on without harm, but if desired, wash out with Hi Shine Shampoo. Applying an oil-based product (including fly sprays) may result in color coming off. To prevent clogging, hold can upside down and spray to clear nozzle.

CAUTION: Contains n-Hexane (C.A.S. 110-54-3), Propane (C.A.S. 74-98-6), n-Butane (C.A.S. 106-97-8), Isobutane (C.A.S. 75-28-5). Flammable. Vapors will accumulate readily. Keep product away from heat, sparks, flames, pilot lights and sources of static discharge. Do not store above 120° F or in direct sunlight. Do not puncture, incinerate or discard in compactor. Use directional arrow on spray head to avoid spraying in eyes. May cause eye, skin and respiratory tract irritation. Use with adequate ventilation. **FIRST AID:** In case of eye contact, flush with water for at least 15 minutes and get medical attention. For skin irritation, wash thoroughly with soap and water. In case of respiratory difficulty provide fresh air and call physician. Harmful or fatal if swallowed. Do not induce vomiting. Call physician immediately. **NOTE:** Use as directed. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Keep out from reach of children. Primary health concerns regarding this product are related to the solvent vapors. Once this product is dried, these warnings do not apply. As a normal precaution for first time use, pretest animal for sensitivity.
