

Nights Collection Dog Blanket

| | |
|--------|------------|
| XS | 8" (20cm) |
| Small | 12" (30cm) |
| Medium | 16" (40cm) |
| Large | 20" (50cm) |
| XL | 24" (60cm) |
| XXL | 28" (70cm) |

To measure your dog for our Nights Collection Dog Blanket, please measure from the middle of the dog's shoulder blades to the base of their tail, keeping the measuring tape straight and off of their back. If the dog falls in between two sizes we recommend sizing down, unless they are closer to the next size up. For instance, if your dog measures 17" we would recommend the Medium, but if they measure 19" we would recommend the Large.
