

"SMELLS GOOD TOO"

"MAKES HAIR EASY TO BRUSH AND COMB"

ROSEWATER HERBAL BLEND

Product Benefits:

• **CONCENTRATED** •

Problem: Hard water from a country well or chemically treated from a city tap, can leave clean hair with leftover deposits of trace minerals and chemicals, no matter how many times you shampoo or rinse, resulting in a "dull lifeless look".

Solution: Instant, deep cleaning COWBOY MAGIC® hair clarification after every shampoo is easy to rinse out and leaves hair "silky shiny bright".

Problem: After shampooing over and over again hair can feel heavy, look dull and be "hard to manage".

Solution: Instant moisturizing COWBOY MAGIC® hair conditioner that shines and strengthens, leaving hair "easy to brush and comb".

Problem: Hair can be over exposed to sun and smog or dust and dirt or second hand smoke and leave "hair looking faded and feeling dry".

Solution: COWBOY MAGIC® Demineralizer™ Conditioner contains a blend of herbal extracts formulated to help condition and protect.

Easy Directions:

After shampooing, work small amounts of "undiluted conditioner" into clean wet hair, massage into a light lather. Let soak and rinse thoroughly.

FOR SUPER SAVINGS:

Use 1 oz conditioner with 2 gallons of water in a bucket, blend well then follow Easy Directions.

After shampoo use COWBOY MAGIC® Detangler™ & Shine "then stand back and prepare to smile."

COMMON SENSE CAUTION: For external use only.
