

HOW TO MEASURE FOR BLANKETS

Take a measurement from the center of the chest to the center of the tail. The measurement in inches is the size blanket or sheet the horse should need. If the measurement falls between two sizes then round up for the best fit.

Tough 1® blankets come in 3" increments, starting with 51" or 69" through 84" depending on the style of blanket. For example, if your horse measures 74" then order a 75" blanket. The front closure on Tough 1® blankets allow for a custom fit to be achieved once on the horse.

BLANKET WEIGHT CHART

<i>Amount of Poly Fill</i>	<i>Suitable Temperatures</i>
150 grams	50° +
250 grams	15° - 30°
300 grams	0° - 15°
350 grams	< 0°

This chart assumes that the animal has a short clipped coat, use your best judgement for longer coated animals. Temperatures listed in fahrenheit.

MANE STAY HOOD SIZING CHART

<i>Hood Size</i>	<i>Blanket Size</i>
Small	63" - 69"
Medium	69" - 75"
Large	75" - 81"
X-Large	81" - 84"
